

Theatre Arts Musical Theatre & Voice Recital: **“Twenty Two”**

Saturday, May 28th, 2022

Union High School Performing Arts Center

Recital season is here! Recital is an incredibly fun and rewarding experience for our students and their families! The show and rehearsals run very smoothly when everyone follows a few simple policies and procedures. Please take the time to read this entire packet. This entire document can also be found on the Theatre Arts website under the “recitals” tab. We hope this information will answer all of your questions and ensure a wonderful show for all involved!

This year’s recitals and dress rehearsals will take place at the Union High School Performing Arts Center (6636 S. Mingo Road Tulsa, OK 74133). Admission is free and we welcome you to invite all of your family and friends! If you have family members that would prefer to watch from home, there will also be a free livestream available on the day of the event.

There will be two shows, but each class will only participate in one performance. Please be sure to find your student’s class on the running order attached. All students in the 1:00pm show are to arrive and be checked in no later than 12:15pm on their recital day. All students in the 5:00pm show are to arrive and be checked in no later than 4:15pm on their recital day. Performers will need to be checked in and out by a parent or guardian. Each show will last approximately two hours. Performers are required to stay backstage for the entirety of the show and will participate in the big finale number at the end of the recital! Only performers, designated parent volunteers, and Theatre Arts faculty will be allowed in the backstage area. As always, this is for our student’s safety.

Dress Rehearsal Begins: **5:00 pm**

Dress rehearsal is mandatory. Students who do not participate in their dress rehearsal for any reason will not be able to participate in recital. We conduct dress rehearsals in the order of recital so that students feel adequately prepared for the show with costume changes, etc. We will only stop during dress rehearsal in the case of a true emergency. Organizing rehearsals in this formal manner allows us to enhance our students' understanding and education of the professional performance experience.

What to do before dress rehearsal? Please arrive to dress rehearsal and recital in performance make-up with your hair styled appropriately for your first number. We recommend having your dancer's name in *each* costume piece, their finale t-shirt, and *each* of their shoes. No nail polish or jewelry should be worn unless specified by your teacher. No underwear is to be worn under costumes. This applies to both dress rehearsals and performances. Teachers will be passing out final accessory sheets detailing tights, shoes, and hairstyles in students' classes with their costumes. Please make sure that you have all necessities and accessories with you at both dress rehearsal and recital.

What will happen at dress rehearsal? Doors will open at **3:45pm** for each dress rehearsal and all students must be in their designated dressing rooms by **4:30pm**. This will give students ample time to change into their first costume, if needed, and ready to rehearse as scheduled. At each dress rehearsal, we will run through the finale *FIRST* at **5:00pm** sharp. We will then run the rest of the show in order, starting from the top, and you and your student are free to leave after they have finished rehearsing their *last number(s)*. Students will rehearse in full costume with proper shoes and accessories. All female students must wear make-up on stage. Lipstick, blush, and eye make-up are a necessity. No food or drinks will be allowed backstage or in the auditorium.

Where to go for recital & dress rehearsal? All performers and audience members will enter through the main performing arts center doors on the South side of the school. Once inside, a parent will need to sign their student in. No parents, other than the designated parent volunteers will be allowed backstage. This is for the students' safety.

During the recital: *Students must remain backstage for the ENTIRE recital and there is no visitation during intermission.* No students will be allowed to leave the backstage area with a parent to watch part of the recital from the house. This is for the student's safety and will be strictly enforced. Only performers, Theatre Arts staff, and pre-selected parent volunteers will be allowed backstage during the performance and during intermission.

Policies and Procedures

1. Account balances through May (tuition, costumes, and fees) must be paid in full BEFORE dress rehearsal to ensure your student's participation.
2. **No one is allowed backstage during recital other than performers and class moms.**
3. Absolutely no food, drinks, or gum allowed in any dressing room or in the auditorium.
4. There is no limit to how many observers may attend in the audience.

Frequently Asked Questions

Q. How long will the show last?

A. Each Musical Theatre & Voice Recital will last approximately 2 ½ hours. Dance Recitals will last approximately 2 hours and Acting & Piano Recital will last approximately one hour.

Q. Can the students watch the show? If not, where do they stay?

A. With the students' safety and security as our top priority, it is not possible for students to watch the show from the audience. The dressing rooms are the best place for the students during the show, where students are supervised by our faculty and parent volunteers. At the end of the recital, a parent will sign out their student from the backstage area and the parent volunteers can ensure that each student goes with the right adult. Recital videos are an excellent way for students to re-live the magic of recital at home after the show and can now be purchased through the family portal via the store.

Q. Why are parents not allowed backstage or in the dressing rooms?

A. This is for the student's safety and security. We have excellent parent volunteers who will watch your student while they are in our care. If we let every adult in the dressing rooms or backstage, it would become chaotic and possible to have a missing student. Our streamlined system makes safety the top priority.

Q. Can the parents leave during dress rehearsal?

A. We require that a parent accompany all students under the age of 10 at dress rehearsal.

Q. Can the parents and students leave during the recital?

A. If you are attending the performance, we ask that you show consideration to all the performers by staying until the end of the show. *All performers are required to stay until the end of the show.* This is for safety reasons. If the performer is not able to commit to the entire show, they will not be able to participate.

Q. Why can't videos or pictures be taken during the recital?

A. The performer's safety and theatre etiquette are two important reasons. Flashes from cameras can quickly disorient a performer and lights on video cameras can be very distracting. We also feel the same courtesy should be extended to our performers as would be used at a professional performance. Out of consideration for other audience members, the distraction of photos (with or without flash) or videos during the show is not appropriate. As part of your child's performing arts education, we teach proper theatre etiquette and we hope that you will help reinforce this as well.

Q. Why must the audience enter and exit between numbers?

A. Proper theatre etiquette is such that audience members should not enter and exit at will. Also, as the lobby doors open, light comes into the auditorium and creates a distraction for the performers. There will be ushers and security at the doors during the shows allowing the audience to enter and exit. Please remember, if you must visit the lobby allow yourself ample time to return to your seat before your student performs.

Q. Why are the students required to wear their hair in a particular way & wear make-up?

A. Theatre Arts students receive professional level training and we feel that their performance experiences should be at the professional level as well. Because students perform as a group, it is important that they look like a group on stage. Hair, make-up, and costuming are all a part of the presentation. Even the younger students will feel a sense of unity and professionalism when they take part in this performance etiquette. We ask that make-up be worn to highlight the face so the audience can see the performer, rather than being washed out in the bright lights of the stage. Also, girls' underwear should not be worn under costumes as it is very visible onstage under the stage lights. Please wear only tights underneath the costume.

Q. How can my student get a recital finale t-shirt?

A. All students participating in Theatre Arts recitals receive a finale t-shirt included in the price of their recital fee paid in February. These shirts will be passed out in class in the month of May.
